Currently serving as SCAPHON treasurer.

Complete financial reports each month and report out at board meetings.

Complete all financial needs around conference and quarterlies

Submit chapter financial report each February

Any other duties as necessary

**State Why You Wish to Run for Office:**

During my 2 year term as treasurer, I found that the first year was challenging as I was learning the ropes and figuring out my process. During the second year I could see that I was in a great rhythm and was truly enjoying the role. I would love to continue what I have learned over the next two years before handing off to a future board member
