Past Participation in APHON/SCAPHON:

SCAPHON Board Member - 2006 - 2011, 2016-current

SCOOP Editor - 2006-2011, 2016-current

Experiences/Responsibilities Contributing to Qualifications for Office:

As a manager, I have fiscal responsibilities for hospital and clinical trial budgets.

State Why You Wish to Run for Office:

I truly believe in SCAPHON's mission of providing education, evidence-based care, and charity and feel that I can further support the mission as the Treasurer. I have been a pediatric oncology nurse for the majority of my career and have served on the SCAPHON Board as the SCOOP Editor for many years. Currently, I'm the Manager of Clinical Research at CHOC where I am responsible for hospital and clinical trial budgets that have given me the experiences and skills necessary to maintain SCAPHON's financial records.
