SCAPHON MEMBERSHIP

SCAPHON membership is \$30 a year and is not prorated. Membership goes from January 1st to December 31st each year. You must be an active APHON member and live in the Southern California area to be a SCAPHON member. **Membership Benefits:**

- Free Quarterly educational dinners three times a year, earn 1 CEU at each quarterly (\$75.00 value)
- Discount to annual SCAPHON conference
- Eligible to run for SCAPHON elected positions or appointed positions on the SCAPHON board
- Eligible to vote in annual SCAPHON elections

Membership is open for renewals and/or new members between January 1st – March 31st of each calendar year. Please go to the membership tab on the SCAPHON website: www.SCAPHON.org for more details.

COMMUNITY SERVICE PROJECT

Beauty Bus

Beauty Bus is a non-profit organization that delivers beauty and grooming services to seriously ill patients and their caregivers. Their programs and services reach local hospitals and social service agencies throughout Southern California.

Most desired products are:

Women's grooming items:

- Hair styling products (except dry shampoo)
- Body Wash
- Lip balm
- Eye, face, or hand masks

Men's grooming items

- Shaving products
- Beard Balm
- Men's shampoo
- Body wash or men's specific skin care

Please bring your donations to the SCAPHON conference or scan here to order and ship directly from Amazon.

SUPPORTERS and EXHIBITORS

THANK YOU TO ALL OUR CONFERENCE EXHIBITORS!

Your dedication and support to nursing education is greatly appreciated.

Make sure to stop by the exhibit space to visit all of our amazing sponsors and exhibitors at their booths.

Omni Rancho Las Palmas Resort + Spa

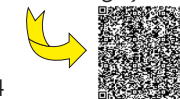

41000 Bob Hope Drive,
Rancho Mirage, California 92270

Phone: 800-THE-OMNI (800-843-6664)

A block of rooms has been reserved for the conference. These rooms are limited and available to conference participants at a rate of \$179 per night + a \$10 per night resort fee. Guest room internet and complimentary parking is included. Availability of rooms at this rate is not guaranteed after May 15th, or when the reserved block is filled. Group rates will be available June 3rd through June 8th, 2024, provided there is availability.

Scan QR for booking information.

Group code: 060524SCAPHON2024

COURSE OBJECTIVES

1. Identify key elements of effective, inspirational leadership and resilience.
2. Explore the role genetics has in current diagnosis and treatment for pediatric cancer.
3. Describe breakthrough treatment and persistent challenges in the treatment of leukemia.
4. Identify new advances and ongoing challenges of CAR-T treatment.
5. Highlight updates to the long-term follow-up guidelines and health links for survivorship.
6. Examine the risks and benefits of implementation of psychological safety.
7. Review risk stratification and treatment strategies in rhabdomyosarcoma.
8. Review sickle cell disease, new therapeutics, and current research.
9. Discuss the importance of nursing research and provide tips for the development and submission of abstracts.
10. Describe abnormal menstrual bleeding: diagnosis, causes and treatment strategies.
11. Define the scope of financial toxicity and the potential impact on cancer patients.
12. Discuss the clinical manifestations, diagnosis, and management of graft vs host disease.
13. Describe common symptoms and challenges experienced by adolescents and young adults with cancer.
14. Examine the value of nurse mentorship and the potential to encourage professional growth and development.
