**Experiences/Responsibilities Contributing to Qualifications for Office:**

I have contributed as a member of the SCAPHON Board since 2018, serving as Community Service Chair from 2018-2022, and assisting with conference and Raffle in 2023. I have a very detail-oriented work ethic and seek opportunities for growth. I have coordinated and communicated with many of our SCAPHON sponsors and vendors in my role as a case manager for nursing education or patient advocacy.

**State Why You Wish to Run for Office:**

I have served previously on the SCAPHON Board as Community Service Chair (2018-2022) and would like to continue to serve our membership in curating new and exciting content for the Quarterly Dinners. My goal is to explore new opportunities for not only pharmaceutical lectures, but also for our members to share new and innovative nursing initiatives within our local institutions. I am very detailed oriented and will be sure to communicate timely and effectively with our SCAPHON sponsors and members. I appreciate your consideration and look forward to continuing to grow and serve as a member of the SCAPHON Board.
